1. The Soviets are repairing houses bordering on the Allentsteig maneuver area which once were occupied by German army officers but since have been allowed to deteriorate. These houses will be inhabited by Soviet officers' families.
2. Some 200 dependents of Soviet officers are at present quartered in Allentsteig. It is expected that additional Soviet wives will arrive, because Soviet officers are actively searching for additional apartments and are paying up to 250 schillings a month for a simply furnished room.
